## COMPONENTS OF MINDSET

TRAIN • EXECUTE • REVIEW • EVOLVE

1

### EMOTIONAL CONTROL

MENTAL DISCIPLINE UNIT

#### PRE-TRADE DISCIPLINE

MISSION READINESS  
BEFORE ENTRY

PREPARE THE MIND.  
PROTECT THE FOCUS.

#### IN-TRADE COMPOSURE

STAY CALM UNDER  
MARKET PRESSURE

CONTROL EMOTIONS.  
EXECUTE THE PLAN.

#### POST-TRADE REFLECTION

DEBRIEF EVERY  
EXECUTION

LEARN. ADAPT.  
GET STRONGER.

2

### DECISION MAKING

TACTICAL COMMAND UNIT

#### CRITICAL THINKING

READ THE BATTLEFIELD  
THINK AHEAD

ANALYZE. QUESTION.  
MAKE INFORMED CALLS.

#### TRADE PLAN

EXECUTE WITH A  
DEFINED MISSION PLAN

NO PLAN. NO TRADE.  
STAY ON MISSION.

#### TRADE JOURNAL

RECORD EVERY MISSION  
FOR IMPROVEMENT

WHAT GETS TRACKED,  
GETS MASTERED.

**MINDSET IS THE COMMAND CENTER.**

## TDT LAB

WHERE TRADERS BECOME STRATEGISTS

1

### TRADE MANAGEMENT

EXECUTE WITH PRECISION.

#### ENTRY

Identify high-probability setups and optimal entry points.

#### EXIT

Plan your exit before you enter the trade. Stick to the plan.

#### POSITION SIZING

Risk a fixed % of your capital. Size positions for long-term survival.

2

### RISK MANAGEMENT

PROTECT WHAT MATTERS MOST.

#### CAPITAL PROTECTION

Preserve your capital. Survive to compete another day.

#### INVESTMENT ALLOCATION

Diversify across markets and strategies. Don't put all eggs in one basket.

#### LOSS CONTROL

Cut losses quickly. Small losses keep you in the game.

#### DRAWDOWN LIMIT

Set a maximum drawdown limit. Respect your stop for the day/week.

3

### REWARD MANAGEMENT

MAXIMIZE AND SECURE YOUR GAINS.

#### PROFIT TARGET

Define realistic profit targets. Take profits with discipline.

#### GAIN PROTECTION

Use trailing stops and other tools to protect your profits.

#### WITHDRAWAL PLAN

Withdraw profits regularly. Don't give it back to the market.

#### PERSONAL FINANCE

Manage your lifestyle. Live below your means and invest wisely.

CONTROL RISK. MANAGE CAPITAL.  
COMPOUND CONSISTENTLY.
